

COST: \$700

We've Even Arranged
Fundraisers For You!

YLWL and your leaders are doing everything they can to get you to camp!! You have to tell your leaders if you are participating in any of these opportunities! Only then will your earnings be credited to your camp fee. See your leaders for details.

February - Krispy Kreme doughnut sale. To be announced in club. Details will be posted on the Facebook page for each club. You will be credited \$4.50 for every dozen doughnuts you sell. Get friends and family to help you get orders. Your leaders will have order forms for you to use.

April 7th - Mulching at Central Va. Family Physicians Bldg. 1175 Corporate Drive, Forest. 9 am till noon. Students to bring rake or shovel. Each student will be credited for \$10/hr for your work. Must tell your leader you want to participate. Some students might be taken to an alternative location.

April, the 14th and 21st. Work days at Rockbridge Alum Springs. Students can participate either Saturday, but must tell their leader that they are working.

We'll work for 5 hours. You get folks to sponsor you for a couple dollars an hour. Let's say you get 20 sponsors at \$2/hr each – that comes to \$40/hr x 5 or a tidy \$200.

All sponsor checks must be made out to Younglife, the teen's name written on the memo line, and the checks must be given to your leader in a sealed envelope with your name on the outside. The money will go straight to your camp account.

Get crackin on these fundraisers NOW. Sell doughnuts WHILE you are getting sponsors for the Rockbridge Work Day.

In one short month you could possibly pay your entire camp fee!

Summer Camp

June 23 through 29

The Best Week of your
Summer Happens at
Lake Champion!!!

247 Mohican Lake Road,
Glen Spey, NY

Here's What's Up At Champion:

YoungLife camp isn't like any other camp you've ever been to. First of all you go with your incredibly cool YL leaders whom you already know. No mystery counselors at YL camp.

Lake Champion has it:
tubing, climbing tower, scream swing, zip line, ropes course, hot tub, pool complex, soccer field, gym with 4 hoops courts, outdoor basketball hoops, sand volleyball courts, wall ball, slides into the pool, beautiful dorms with individual tiled bathrooms, incredible YoungLife program, amazing food, and 550 other teens from all over who are having the best summer vacation possible!!

Join hundreds of teens from all over, each of whom hangs out at YoungLife at his/her own school. It's like going to the coolest family reunion ever. Then, you'll do crazy activities in the mornings (crazy like YoungLife crazy) then you'll have the whole afternoon free to go after any of the millions of camp activities that you want. Then an incredible dinner, and a YL club like nothing you've ever seen. You'll sing till you cant talk, laugh, then hear from an amazing speaker (another YL connection).

In the meantime your meals will be served by a "work crew" of high school teens who are YL'ers back home, who have been to camp themselves and who are volunteering for a month to see to it that you have the greatest week ever! You'll have the chance to meet some of them and hear their story.

Housing: You'll stay in sweet dorms. They've got hardwood floors, tiled showers and bathroom in every room, rocking chairs, lounges. Yep this isn't like sleeping at night and listening to the wind rip the top off your tent.

Food: Food at YL camps is.....well ridiculous. It's like eatin at your favorite restaurant. Waiters and waitresses, seconds, thirds, all served up for ya by teens just like you!

Linens: Rockbridge provides bed linens, a blanket, and a towel. You will want to bring an extra towel cause you're gonna be hittin the pool, the hot tub, and the lake really hard!
